Foreword

THE TALON staff of 1965 presents this annual to you with the hope that in looking through its pages now and in future years it will serve as a guide in remembering those people and activities which made this an important year in your life.

While seasonal changes are more subtle in California than in many other parts of the country, shifts in the seasons are enhanced by those activities and achievements which occur in regular cycles during the school year. We have divided activities in this manner in the hope that you will find pleasure in the entire book.

Striving toward the goal of graduation, the Class of 1965 furthered the prestige and honor of not only Crescenta Valley High School, but also of the class itself. Many awards were received by class members in diversified fields; however, the prevailing thought of unity was always present. Leading the way, the class officers and council, with Ron Carter as president, formed the nucleus and provided the leadership. The council met every week planning graduation and all the connected activities. Plans for the banquet at the Sportsman's Lodge, the all-night party at Disneyland, the Prom at the Biltmore Hotel, and the many other activities were all formulated and made workable by the council. The three years spent at Crescenta Valley will always remain very special for this year's seniors.

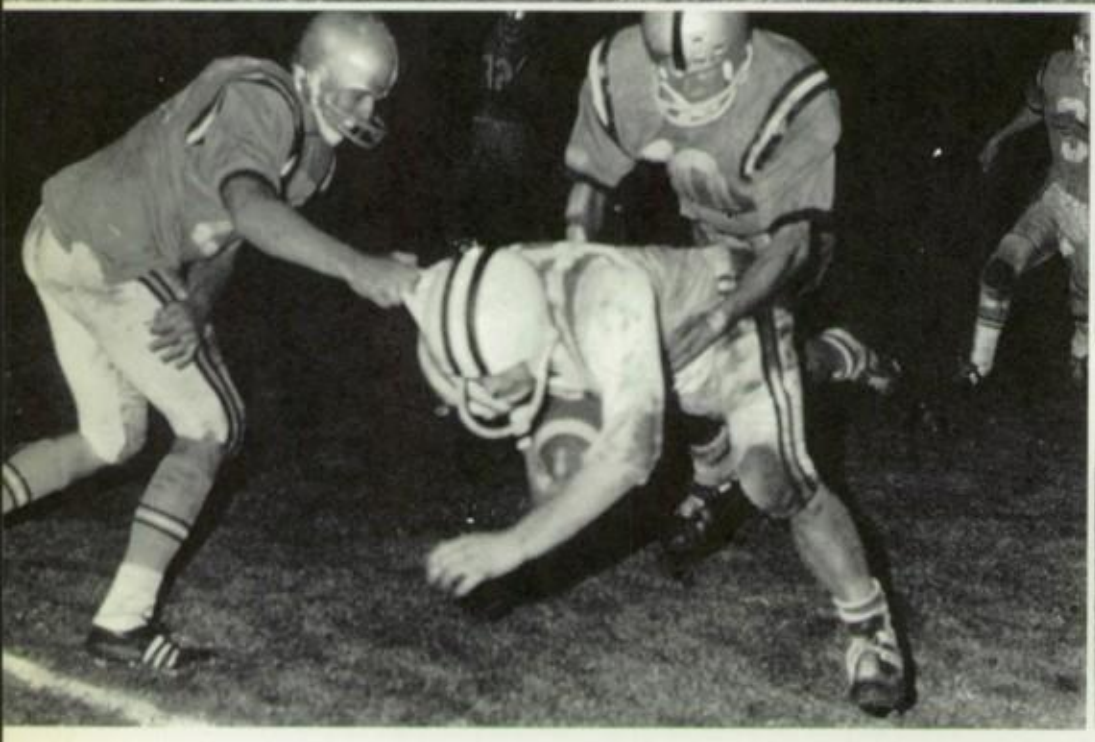
Crescenta Valley Falcon Football Team, led by Co-captains Dennis Cramp, Dennis Gossard, and Don McKenzie, finished the 1964 season with an over-all 3-6 record. However, four of the nine games included bouts with powers that became leaque champions.

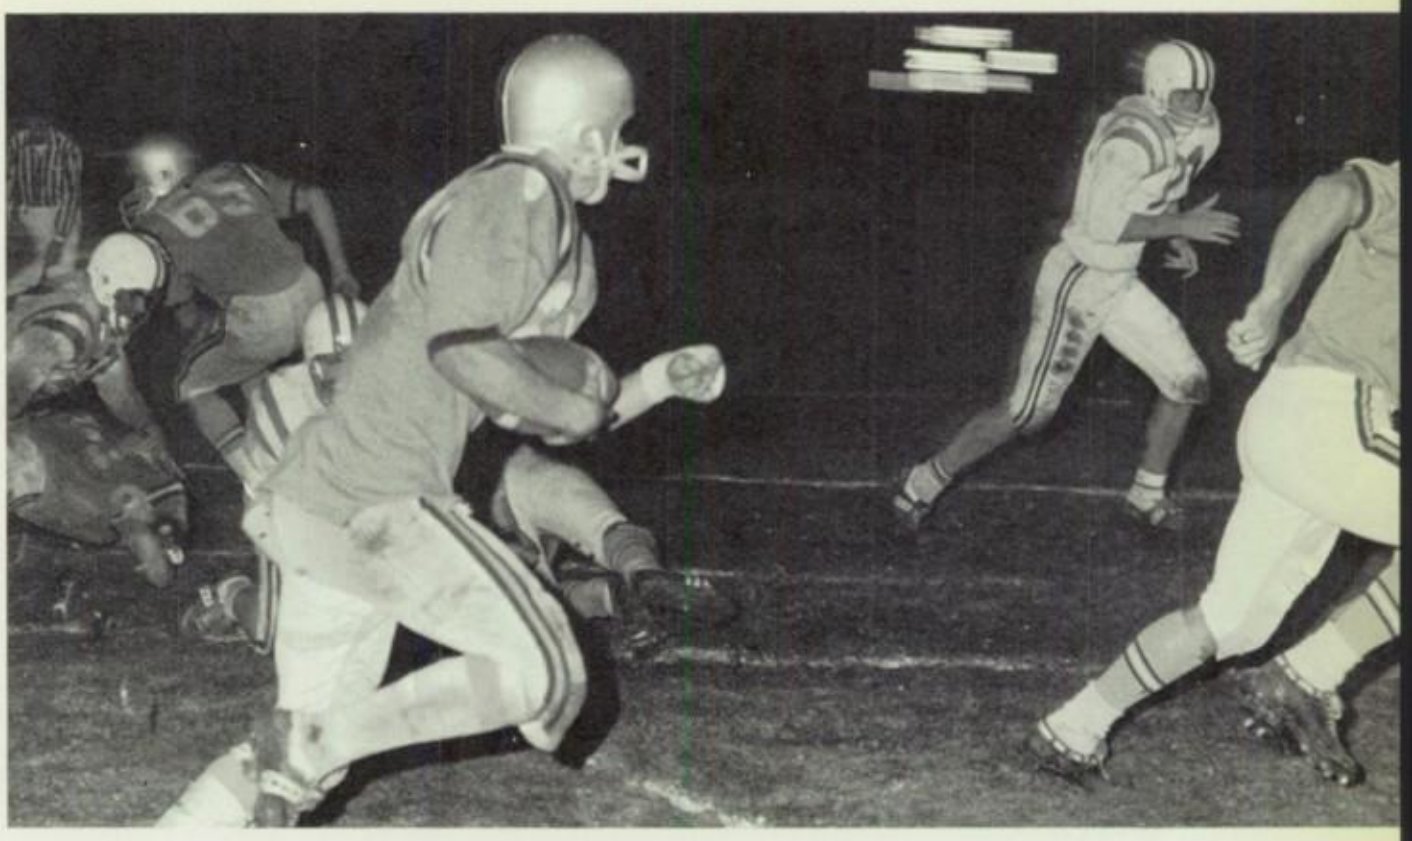
No league foe beat the Falcons by more than two touchdowns as Crescenta showed fierce determination.

Two members of the team, tailback Dennis Gossard and wingback Don McKenzie made the all-Foothill League team and guard Wayne Tomlinson was chosen on the second unit.



Above: A nice hole is opened up in the Burrough's line for #11 Phil MacDonald.
Below left: #80 Wade Smith grabs a Hover man as #30 Don McKenzie puts on the clincher, Bill Reinhard and Dwight Baglin are also available if needed.
Below right: #32 Bill Reinhard is tackled by a St. Francis player after a gain of several yards. Blocking is guard Larry Borg.

Above right: All-League Player Dennis Gossard takes off on a 99 yard touchdown-jaunt against Hoover behind the superb blocking of second team All-Leaguer Wayne Tomlinson (#61). Gossard is wearing #22, Tom Stokes' jersey. Stokes was out with an unfortunate injury that occurred during C.V.'s game with St. Francis.



Below: #82 Greg Adams and #10 Dennis Gossard collide in mid air while almost intercepting a St. Francis pass.

Don McKenzie shows his outstanding balance in running against Burbank as he recovers and continues on down field. This offensive ability and outstanding defensive ability earned him first team All-League honors.

#31 Dwight Baglin shows his alert defensive skill against Burroughs as he is backed by Co-captain Dennis Cramp #51

Crescenta Valley's 1964 Bee squad won the Foothill League title, shining victoriously over its opponents. Coach Heil and Coach Lange, having only four seniors on the team, had a young team with which to work. Along with these four players, Mark Howard, Andy Kincaid, Steve Hembree, and Andy Estin, the team was sparked to victory after victory by Bob Walker, Bill Shafer, Roger Holms, Glen Roche, and Jim Beckenhauer, who was voted the team's Most Valuable Player. Midway through the season CV took vengeance by thoroughly tromping Burroughs, the only team to beat the Falcons last season and, in so doing, kept the Falcons from the league title by a decisive score of 39-0. Crescenta Valley clinched the title with an exciting win over Muir. The Mustangs sprung loose on two occasions for long touchdown runs, one being on a kickoff. The Falcons came from behind in true championship form to surpass Muir. The Bee team is proud of its outstanding record, showing only four defeats in league play. Looking to the future, the team is planning to retain its title and to keep CV's prestige at a high plateau.

CV's outstanding drill team, marches during the half-time shows and parades. It has once again received many awards. Our marching girls have repeatedly been complimented for their excellence.

Advised by Mrs. Carol Ringer, they practice techniques and constantly learning new formations to entertain the spectators.

Flag Girls

A newly-formed group of girls here at Crescenta Valley is the flag girls. They have participated in the football games and will enter in several parades in the spring.

Interested girls took classes in summer school, and the best were chosen from them. The girls are under the direction of Mrs. Carol Ringer. From left to right are Jean Boddiger, Evelyn Vermeer, Yvonne Wilcott, Merryl Eckert, Barbara Boegler and Susie Straub.

Marching Band

The marching band has undergone the tremendous task of building its competence and has done a very successful job during the halftime shows at the football games. Not only this, but they have played regularly in the pep assemblies before the games, and marched at Pasadena's world-famed Rose Parade.

Their director, Mr. J. Richard Jensen, has put in long hours of his own time to provide enjoyable performances.

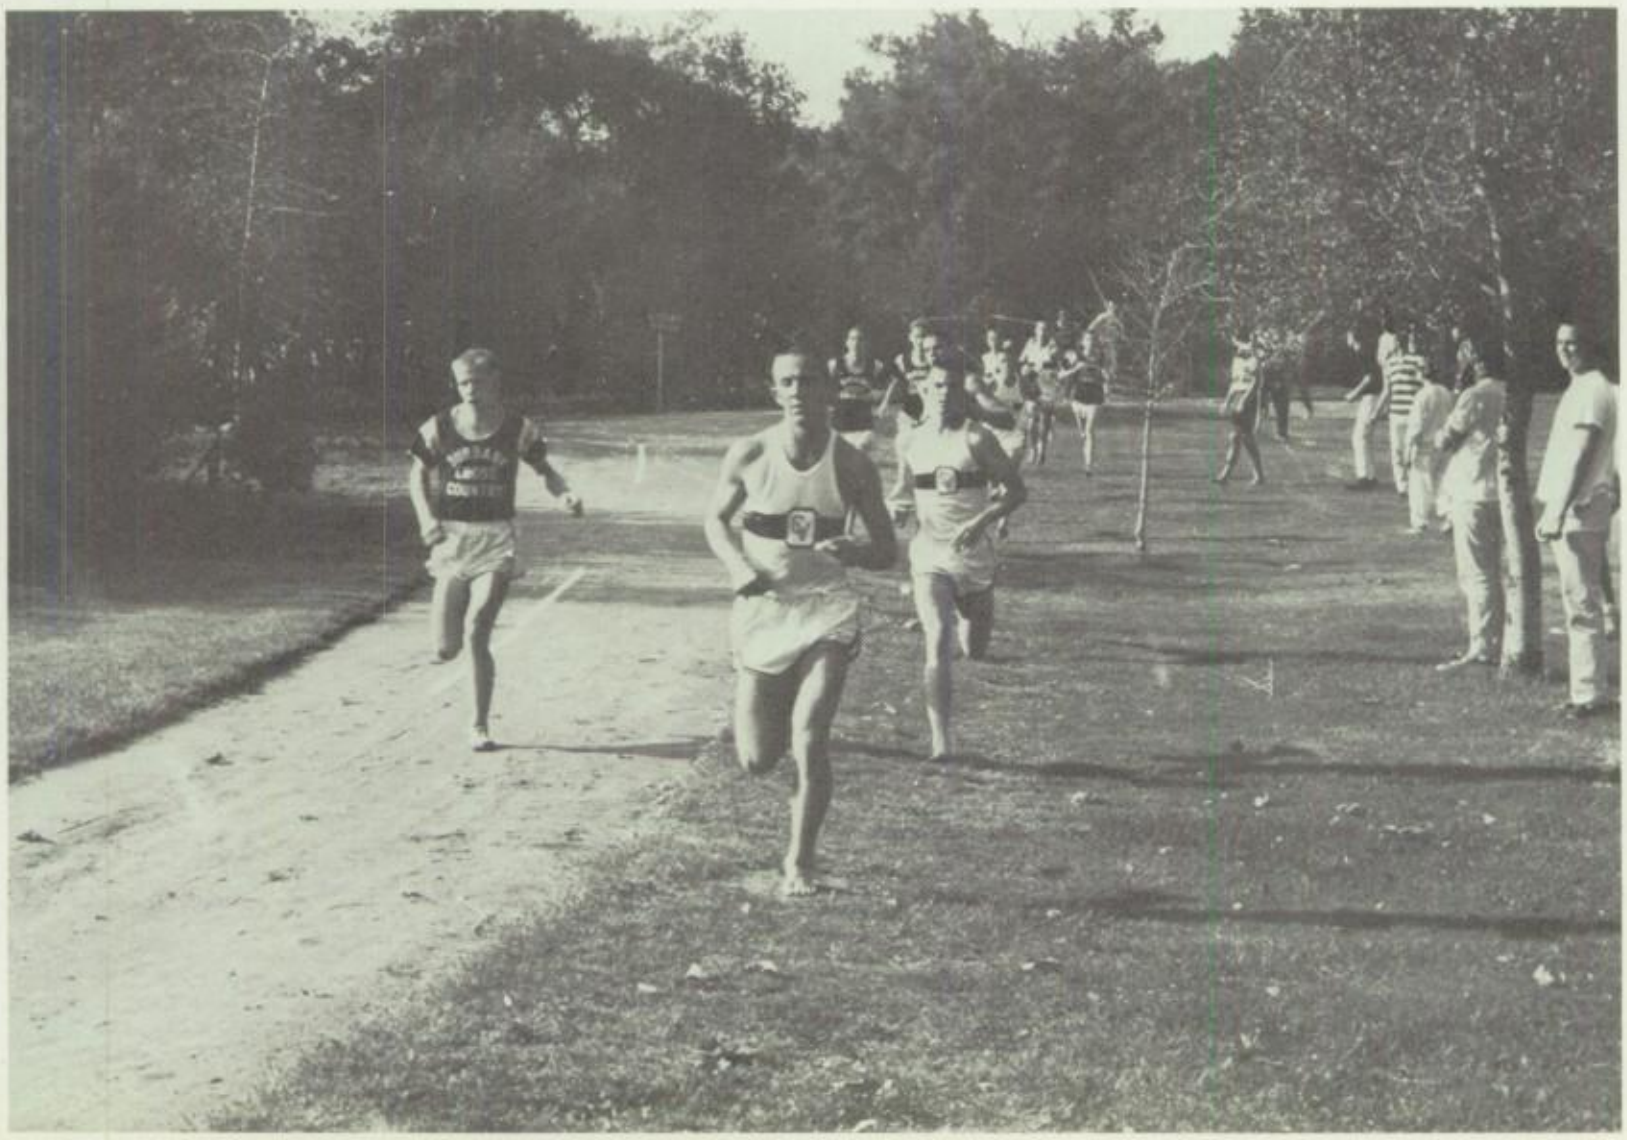
Crescenta Valley's cross country team wrapped up the 1964 dual-meet season with a convincing, 19-31, victory in the Varsity Division. The Falcons, besides facing league competition, played two non-league invitational meets during the last year. CV's runners won their respective heats in both the Varsity and Junior Varsity divisions of the Pacific High School and Mount San Antonio College Invitational Cross Country meets. Twenty-six other schools participated in the Pacific Invitational while one hundred forty-six schools participated in the Mt. Sac race.



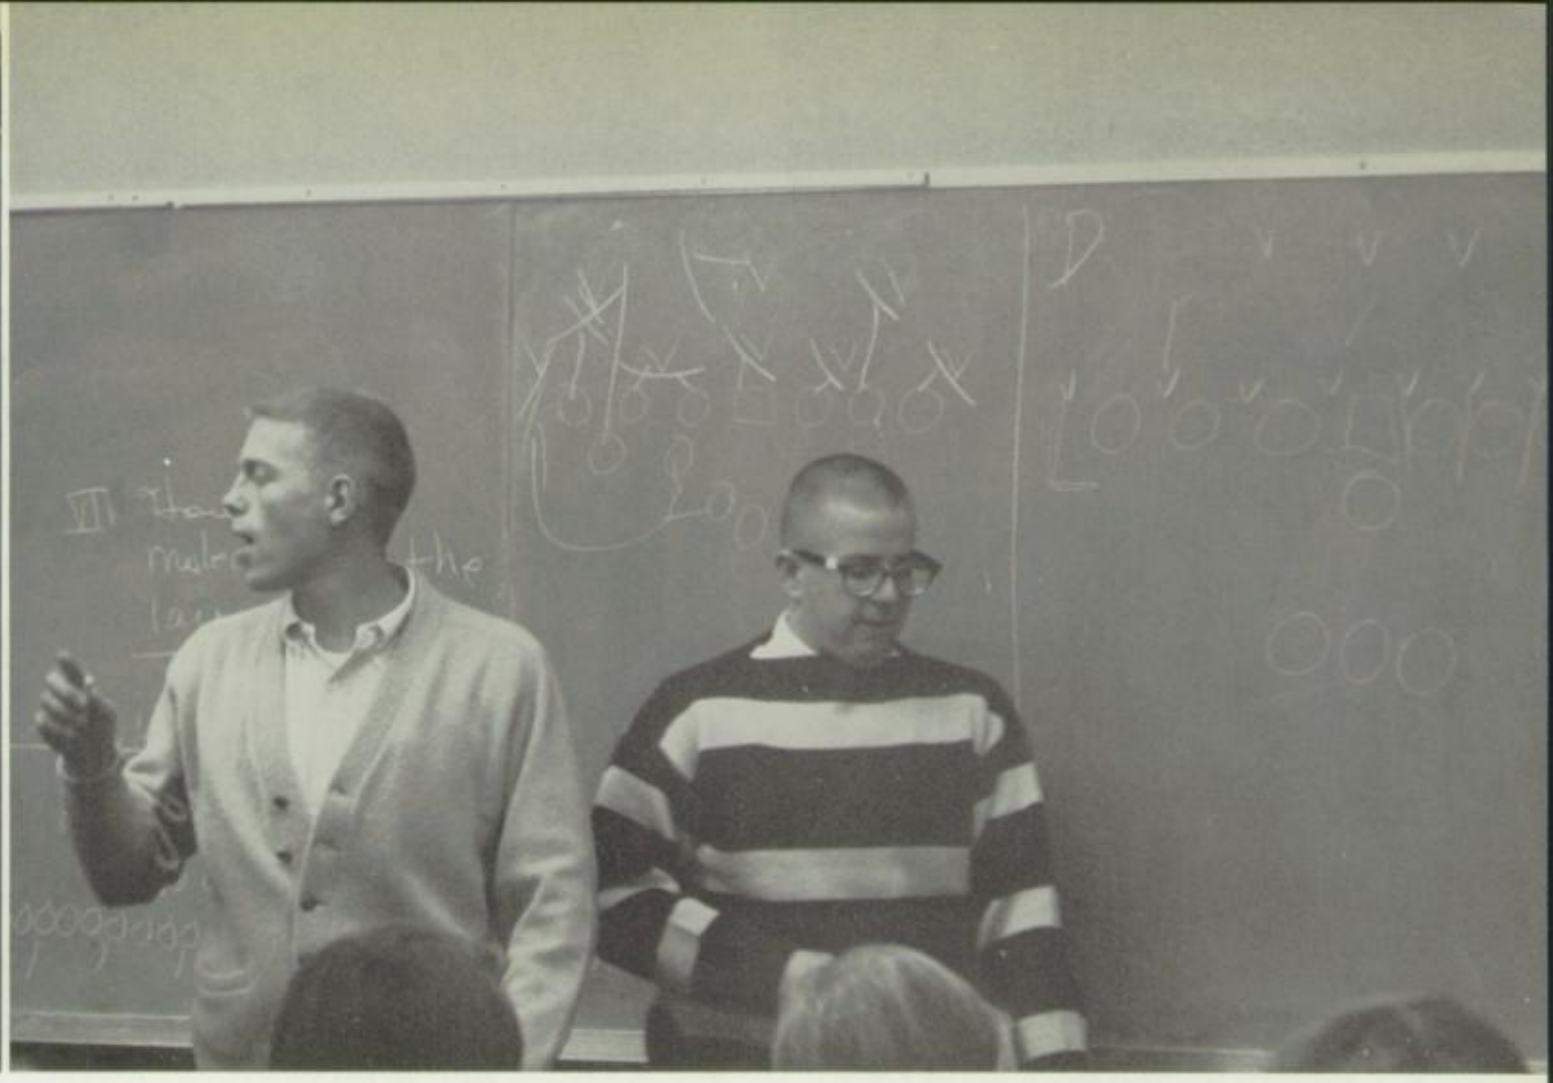
Backwards Dance

The highlight of the girls' League Backwards Dance on November 21 was the crowning of King Dennis Gossard and his court by Girls' League President Peggy Lant. The court included Don McKenzie, first prince; Frazer Boergadine, second prince; Dan Shaver, third prince; and Victor Jaranilla, foreign exchange student from the Philippines, fourth prince.

Backwards Dance

The crown is placed on the head of King Dennis Gossard, and the court is joined by their escorts. The girls are (left to right) Diane Clausen, Kathy Dixon, Jeri Cowan, Peggy Lant, Betty Bogomaz, and Debbie Guillemin.

Peggy Lant, first semester Girls' League president, can be given credit for organizing the Backwards Dance, the major Girls' League event of the year.



Senior Day is a traditionally fun-filled occasion for all graduates. Starting at 3:15 the students engage in activities of sports, a movie, and a dance. The outstanding event is the Powder Puff football game. The girls' willingness to learn and hard playing could be the envy of any football team.

In addition to the tours Director of School Spirit Eileen Shelde and the song and cheer leaders combined efforts to introduce the new students to school songs and cheers.

Students enjoy two performances during the year—the Christmas Program and the Spring Concert. The president is Mike Olin; Christy Tucker is Vice-President; and the secretary is Suzanne Southard.

Ski Club

The Gyrafalcons is now in its third year at Crescenta Valley. There are, at present, fifty-two members, and membership is expected to climb to one hundred before the end of the year.

The purpose of the club is to encourage the beginning and advanced skier and to provide the opportunities for enjoyment of the sport with a group. Chartered buses took the skiers on a local trip and the big outing to Mammoth Mountain in February.

Mr. Gary Hess sponsors the club. Robin Carlson serves as president; Kris Erlandson is vice president; and Sheryl Wiley is secretary. The Ski Club sponsored a Warren Miller ski movie and the after-game dance when we played Pasadena.

The Folk Music Club, sponsored by Miss Sharon Kerr, is three years old and gains membership steadily. One of the activities is a folk music assembly at which the above were pictured. At the upper left is Ted Perry, next are Terry Booth and Kathy Rigdon, and at the right are Mike Bridges and Matt Dunn. The center group is Steve Sanders, Ted Perry, Mike Bridges, Matt Dunn, Terry Booth, Kathy Rigdon, Diane Darrow, Helene Haggerty and Brian Esterly.

Members in the opposite picture are — *First row:* Kathy Rigdon, Terry Booth, Florie Young, Kitty Bailey, Mary Jane Boehle, Barbara Haslam, and Barbara Heath. *Second row;* Ellen Hutter Kathy Graf, Sandy Verhencamp, Jessie Clark, Bonnie Bromberek, Gail Goodman, and Patty Kausen. *Third row:* James Powell, Ranny Pegler, Steve Sanders, and Russ Beltz.

Drama Club

Producing and performing many enjoyable plays for entertainment is the main purpose of the Drama Club. Participation in the Drama Festival brought many hours of practice and rehearsals under the direction of Mr. Thomas. The work that was put into this competing play was well worth the time spent since a trophy was won. Members are *(Right, front to back)* Linda Hayes, Bina Rolofoson, Bill Johnson, Pat Wilbur, Norma Smallbone, Ebbe Smith, Howard Wright, Todd Ward, Don Brostoff, and Rick Webb; *(Left, front to back)* Ginny Dewey, Shirley Simpson, Sue Lab, Mary Cross, Dave Esselstrom, Greg Laskaris, Janet Perry, Gail Goodman, Pam Goodson, Mark Howard, and Chris Dompe.

Theatrophilos

Theatrophilos is a newly-formed group which is one of the most active clubs at Crescenta Valley. This organization appears to be "on the go" throughout the school year attending various theatrical activities in the Los Angeles area. The playgoers are *(Bottom)* Julie Kuring, Kevin Moss, Cynthia Neilson, Cindy Speed, Linda Anderson, Debbie Guillimen, Cheryl Snyder, and Kathy Licking. In the *middle row* are Jenny Young, Sue Weltmer, Donna Throe, Pam Flynn, Carol Work, Diane Daily, Caroline Reid, Janis Field. At the *top* is President Mike Lester with Dave Jetton, Paul Green, Ken Kenegos, Bill Johnson, Richard Spinner, Greg Laskaris, and Brian Chrisman.

23 Skidoo

"23 SKIDOO" was sponsored by the sophomore class and was the first of its kind for Crescenta Valley. Class competitions for costumes and dances were the highlights of the evening.

Champions - 1965

Posting one of the most successful records of any Crescenta Valley Bee Team, the squad ended the season tied in a first place berth. The team compiled an impressive 16-game winning streak, taking all pre-season contests along with the first round in the Foothill League. This year's Fledglings were an explosive team having scores such as 110 points against St. Francis and 104 points against Muir. The man most responsible for the team's astounding season is Coach Duncan. He has worked with his team making them as skilled in the game of basketball as possible. His task was made quite easy as the material with which he had to work was excellent—Ted Perry, senior; Gary Schulke, Rich Colvey, juniors; and Brain Crippen and Mike Barbee, sophomores—comprised the starting line up. CV's reserves came through when they were called upon. Larry Harper and Doug Klotther, both juniors, performed skillfully. Ending the season with a remarkable 20 win and 2 loss record, this squad will long be remembered as one of CV's finest.

Membership is highly desirable for students seeking higher education.

A. F. S.

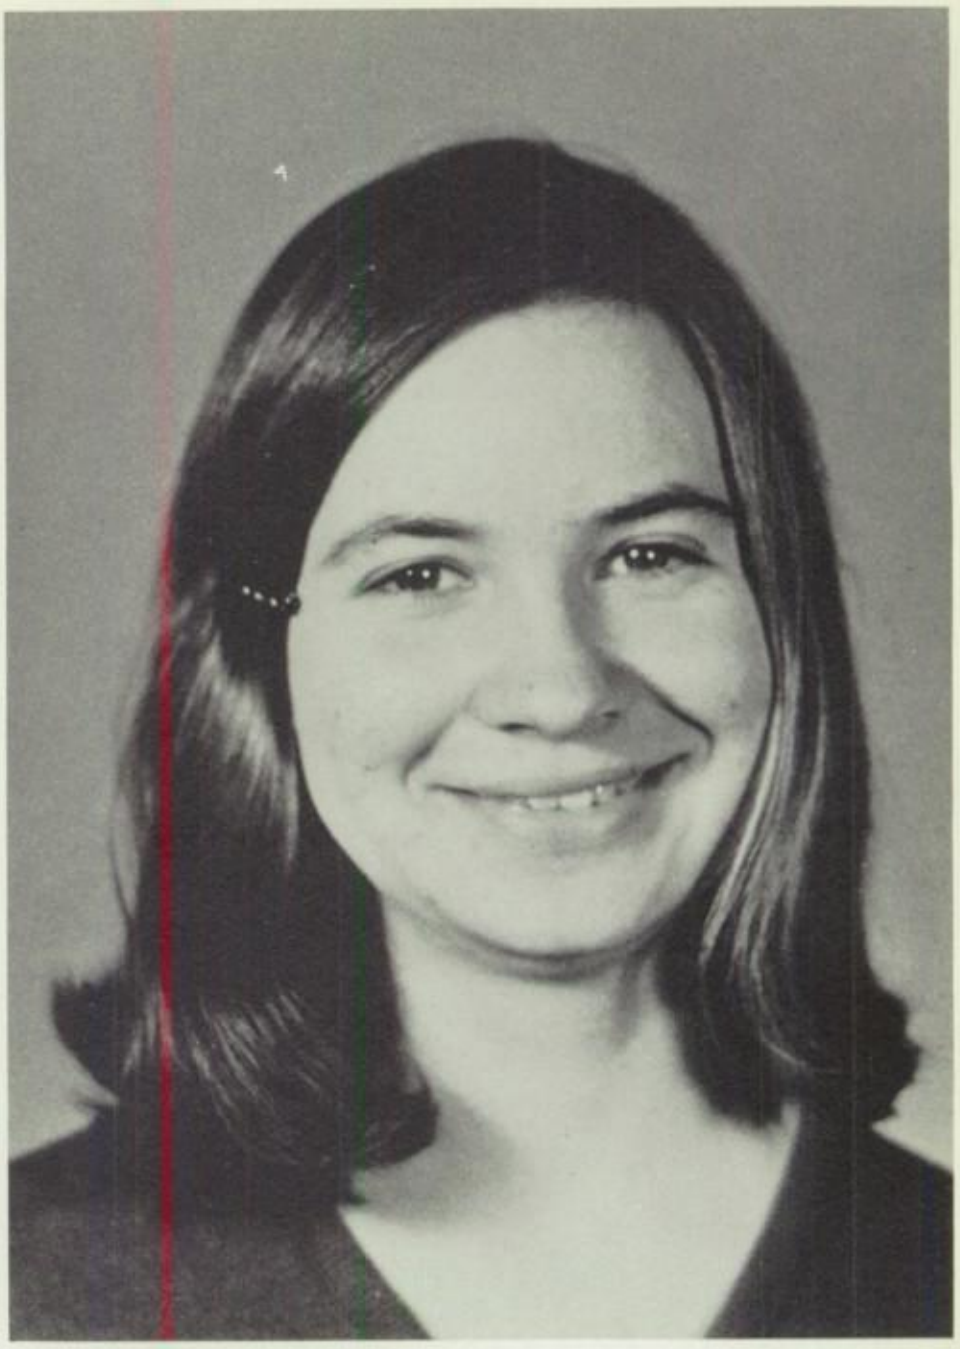
The American Field Service sponsors foreign exchange students coming to Glendale and those sent abroad to further relations with other countries. This year we had the privilege of being host to Anita Schlager from Chile and Victor Jaranilla from the Philippines.

Victor Jaranilla
Exchange Student
from Philippines

America's greatness and grandeur is, I think, unequalled. No country in the world, in my opinion, can surpass America's canyons, deserts, amusement parks, museums, libraries, monuments, and beaches. Since I came over, my interests were aroused by the architecture used in buildings and the facilities that are provided to the students like lockers, a good cafeteria, and the good equipment in the boys' and girls' gymnasiums. I have liked all the things here in the U.S., especially my foster parents. They were such nice people, and, I think the Boergadines the most generous people I have ever met. I am thankful to the A.F.S. for giving me the opportunity to come to this country.

Victor spent the first semester with Mr. and Mrs. Jay Drayman and family to the right and second semester with Mr. and Mrs. V. F. Boergadine and family below.

Anita Schlager
Exchange Student
from Chile



Anita Schlager has been our sixteen-year-old exchange student from Chile. She comes from a small city in the northern part of that country called La Serena. "Nearby there are beautiful beaches and a long valley full of legends and beauty . . ."

Anita has spent a wonderful, exciting year here at CV, although the first two weeks were spent in bed with the chicken pox. She enjoys new things, seeing new places, and meeting new people. Her American family, shown here, were Mr. and Mrs. Forrest Lant, teen-age daughter Peggy, and younger son Carl.

"The months have gone so fast . . . but I will never forget all my experiences and months of happiness that I have had here . . ."

Key Club

The Key Club, sponosred by the Crescenta-Canada Kiwanis Club, has as its goal service to the school and the community. The many productions in MacDonald Auditorium are competently ushered by the club. While furnishing entertainment for the school through a movie-dance, the club raised money to finance other activities. One such service was giving a tape recorder to an institute for the blind. This past winter with the catastrophe in Northern California the club sent needed clothes to the flood victims. It is not all work. The club has parties, a hayride, and a fine banquet. The Key Club is admirably led by Mr. William Thomas, who should be congratulated for his work.

Council

The principal goal of the junior class is to raise enough money to fill the graduation needs. Heading the class in this project are President Bill Edwards, Vice-President Bob Schneller, Secretary Barbara Molina, and Treasurer Ardice Faoro. Assisting the officers in these important decisions is the class council whose members are elected from the history classes.

Among the activities planned by the officers and council are the Junior Prom, the Junior Flickers for the elementary age group, and helping with "The Day". The most important function is to create a spirit of unity and enthusiasm within the junior class to establish a lasting memory of the fun and excitement of the junior year at Crescenta Valley High School. Miss Shirley Nute, pictured above, is the class advisor.

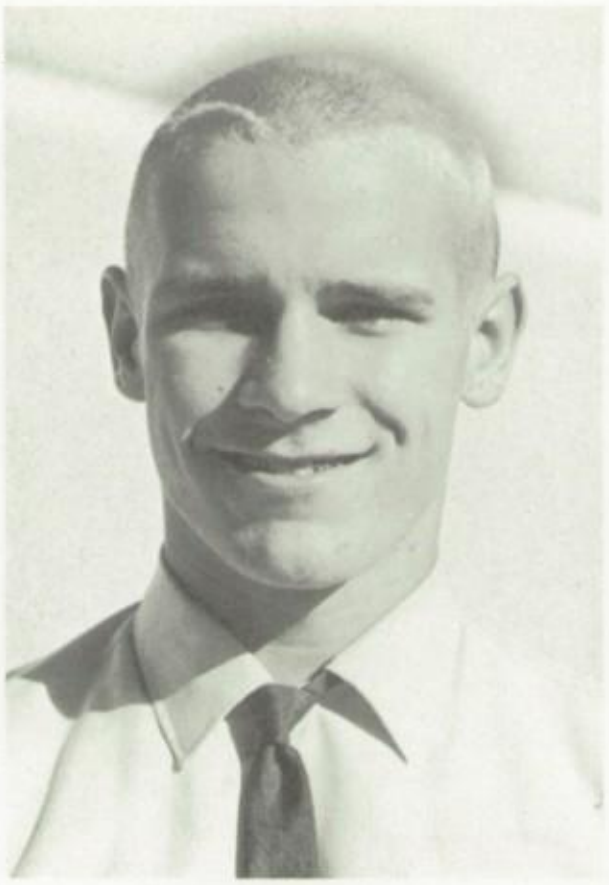
CLASS OF 1967



Tim Davis—*President*

Sophomore Class Officers

Mike Bridges—*Vice-President*

Patty Thompson—*Secretary*

Kathy Wickham—*Treasurer*

Sophomore Class Council

The sophomore class council, together with the officers, has an initial task of selling class cards to establish and maintain the financial stability of the new class. Thereafter, other projects pursued by these tenth graders are to plan the sophomore dance to which other classes are invited and to take care of providing the mountains of food to satisfy the hunger of all students on "The Day".

Planning together through the council and the English classes, the sophomores have brought about that cohesive quality from which outstanding classes grow. Mrs. Ardyce Buckalew is the class advisor.

The 1965 TALON dedicates this book to Mr. Horney, who, upon his retirement in February, left a void in the personnel at Crescenta Valley. His lifetime of service to the community and thirty-two years service to the Glendale Unified Schools, his helpful, shining personality, and his intense interest in his fellow-man will long be remembered. To be involved is his way of life.

Dedication Lloyd Horney
